## **BIRTHDAY PARTIES & BBC INTERVIEWS**

Greetings from a windy Scotland! Wow, what an incredible year it's been so far in 2017! We recently celebrated Life Church - Glasgow's 1st birthday and as you can see from the photo, we had a blast! The church itself is growing in influence and doing great! In addition to this, the football chaplaincy ministry is going fantastic! Our team recently played against the biggest club in Scotland (*Celtic*) in the Scottish Cup. Because of this, BBC asked Brandon to do an interview with them as well as a funny video. To our surprise, these videos were viewed by over a quarter of a million people! BBC Radio also ran an extended version of the interview on their morning program, (*Good Morning Scotland*)

**HAPPY BIRTHDAY!**

Life Church - Glasgow

**BBC Sport Scotland**

 David v Goliath - the giant can be slain!  
 Ulbion Rovers club chaplain Brandon Newman tells BBC Sport Scotland's Genny Crawford that they can beat Celtic in the Scottish Cup.

which has an average listening audience of over half a million listeners every week! This definitely generated interest in Life Church - Glasgow through an increase in website traffic and also raised awareness for the importance of Chaplaincy in professional sports!

On a personal note, our family is doing really well. Haley & Lexi are both enjoying the second half of this school year, and are staying busy

with schoolwork and activities. In fact, Haley recently enrolled in dual credit courses through Southwestern Assemblies of God Universities (*SAGU*), and will begin classes this summer. She's really excited about this and can't wait to get started!

Something we pray often is that you would know how much we love and appreciate you, your prayers and your faithful financial support. I know we say this a lot, but the reality is, there's no way we could do what God has called us to here, without you! Thank you so much again and God bless!
