

SERVING IN SCOTLAND

Brandon & Melissa

NEWMAN

brandon.newman@agmd.org

CURRENT MINISTRY

Brandon and Melissa serve in Scotland where their mission is connecting the secular community to Christ through church planting and professional sports chaplaincy. This is accomplished by serving as chaplain for professional sports teams and at local fitness centers, and through strategic church planting partnerships with local Scottish pastors. During their next term they will also pioneer sports chaplaincy into professional basketball by seeking to appoint a chaplain for every professional basketball team in Scotland and in the British Basketball League.

PREVIOUS MINISTRY

Brandon and Melissa became missionaries to Scotland in 2008, first focusing on youth ministry. They then planted churches inside a coffee shop and fitness center and became heavily involved in Scottish professional sports chaplaincy. Prior to missions they served as youth and children's pastors.
